Re: Electronic Submission of Guam Medicaid & MIP Claims

Electronic Submission of Guam Medicaid & MIP Claims

The Guam Medicaid & MIP program will be enforcing compliance with electronic submission of claims effective March 1, 2024. The program recognizes that smaller clinics may not be fully equipped with Electronic Health Record (EHR) systems and/or electronic programs that allow for Electronic Data Interchange (EDI) 837 uploads of claims. Hence, the Guam Medicaid & MIP program has provided an alternative process to upload claims through a self-data entry process on the provider portal.

If you need technical assistance in establishing electronic claims submission to the Guam Medicaid & MIP program, please feel free to email Renee Carpela at renee.carpela@dphss.guam.gov.
